

USAFFA Hackathon

Sunday, February 26, 2019 2:22 PM

LocationsLibrary

- large area
- fairchild nearby for overflow/assemblies
- food could be served @ cafe area
- escorting w/in cadet area
- coordinate keeping library open

A Hall (Ballroom)

- rooms for sleeping
- food nearby
- stage available
- no cadet area issues
- wifi already set up

Justification

great PA for USAFA

"large scale realization of cyber work's core values"

allow 4th's to experience more in-depth STEM majors

cyber team recruitment

USAFA stem presence in local area

• HS

• other colleges

possible HS recruitment for USAFA

encourage innovation in CW

involve fuzzy departments in innovative sprints

Could headstart a large movement w/ other Academics

↳ USAFA leads the way

Could solve practical problems in the CW

Staff

~15 core staff member

~5 mentors (DFCS? (majors?))

judges

Sleeping

- cots & sleeping bags from flight issue
- room w/ capacity for at least ~150 to sleep

Deploy (?) ACCR
for hardware needsFood

- MREs late night snack
- 5 full meals (Bk - L2)
- CAFFEINE
- snacks

Publicity:

CW
MLH
local HS (Chuck)
local colleges

Prizes/Challenges:

- Depts (ECE, DFCS, Mgmt, Aero, etc)
- Sponsors
 - govt contractors?
 - govt. probably upstream contacts
- CW challenge

open to nonstudents?
separate bracket?

↳ 16 College-up

Equipment

A Hall definitely has the wires/power necessary

Fairchild probably does - need to work w/ Caperton

36 hours - time to sleep

Sponsors will have to go through
vetting - Cyber work team?
